Dear Ms. Seppi,

I am reviewing the materials and preparing technical comments for the community to distribute to the Ramapough Lenape Indian Nation, Ringwood Community and the USEPA. Please ask Joe Gowers to send me the most up to date plan with all maps and data tables for this scope of work.

You can send it to my [REDACTED] as well as I need that for the technical advisor to review in order to allow the community to have meaning community input not just the TASK attachment the USEPA sent out.

Respectfully,
Robert Spiegel
